

Looking for adventure?!

We are looking for people like YOU who love the outdoors and can inspire young people and share your skills...

We run camps and outdoor activities for young people as part of their St John Ambulance training and are looking for people to volunteer specifically to run these activities.

This could be a great flexible way for you to volunteer whilst fitting in with the rest of your life.

You don't need any previous experience, just enthusiasm and a wish to make a difference to the young people in your community.

Use and teach your skills

Rewarding

Support and inspire young people

Make a real difference

Get new experiences

Meet new people

Have Fun

Learn first aid skills

Learn and develop new skills

flexible
